EXPECT BETTER

EXPECT THE TRUTH.

Candidate **Joe Mengoni** released a flyer filled with false allegations – allegations that are contradicted by the various publicly available North Riverside documents.

BUDGET SHORTFALL

Joe Mengoni claims the village has posted budget surpluses for the last four years.

The truth can be found on **Page 17**, where total revenue is reported at **\$33.8 million**, and total expenditures at **\$36.2 million**. The math doesn't lie, when expenditures exceed revenue, a shortfall, not a surplus, exists.

WATER ACCOUNTABILITY

Joe Mengoni claims that our 71% water accountability summary is "fiction"

On **Page 136**, water accountability for 2023 was reported at 71.0%, the lowest its been since 2012.

INFRASTRUCTURE IMPROVEMENTS

Joe Mengoni says questioning the lack of infrastructure plans is "fiction"?

On **Page 155**, projected activity for infrastructure improvements for both 2025-26 and 2026-27 is \$0. This is disappointing, not fictional.
